## *This one is for the ladies.*

August 20 is the date for the 12th Annual Ms. Race, the women-only sailboat race crewed by girls from age seven to women in their 70s. The Ms. Race is an annual charity sailing regatta hosted by the Atlantic Highlands Yacht Club (AHYC) each August, sponsored by and for women, with the support of the AHYC race committee and sponsored for the third year in a row by AT&T. The Ms. Race was inaugurated in 2005 by a group of female sailors at AHYC, to encourage women to sail. Proceeds from the Ms. Race, as well as other related special events throughout the year, are donated to 180 Turning Lives Around, a private, non-profit organization dedicated to ending domestic violence and sexual assault in our community.

This year's theme is "United We Sail" and sail they shall on Sandy Hook Bay in Atlantic Highlands. Ms. Race committee co-chair Aleen Colitz explained, "Women throughout Monmouth County race and contribute to a wonderful cause. We are supporting the essential services provided by 180 Turning Lives Around, which helps women dealing with domestic and sexual violence. We hope to have many women join us for this year's race, because not only are we supporting a good cause, we believe our sailors gain a lot of confidence in their own abilities on the water. You can

Director of Development for 180 Lynn Lucarelli, from Fair Haven, thanked the race committee, AHYC, racers, and donators. "180 is so grateful for this support, especially in this 40th anniversary year of 180 Turning Lives Around. With the recent opening of our new and expanded Safe House, we are serving more Monmouth County families than ever before. The funds raised through the Ms. Race will support the many

programs and lifesaving services of 180, including our emergency shelter, Safe House, for victims of domestic abuse, as well as other programs that provide advocacy, outreach, education, and training."

The AHYC Ms. Race is open to sailboats with female-only crews and must follow the directions in the Notice of Race at [www.regatta-network.com/event/12959](http://www.regatta-network.com/event/12959). Boats that race are typically 21 feet or larger and race non-spinnaker. One-design fleets with smaller boats will also be accommodated.

The AHYC is located in Atlantic Highlands Municipal Harbor in Atlantic Highlands and is a popular stopover for boaters cruising or in transit to Sandy Hook and New York Harbor.
